Michele – Per the email chain below I understand you are working on the treated seed petition? I don't know how you juggle all you do.

coordinate with you/get you involved in whatever next steps are for OECA. I definitely don't want to complicate your schedule – I know how swamped you are. I'm happy to juggle in whatever way is needed.

They're going to set up another call for next week.

## Attorney Work Product / Ex. 5

Given the relationship to the treated seed issue, is there someone else in PTSLO that should be invited to these meetings/discussions as well?
